

Agenda for CSREES Review of the Proposed
SCHOOL OF NATURAL RESOURCES AND ENVIRONMENT
(SNRE)

Monday, April 14

Review team members fly into either Pullman or Spokane (travel to Pullman in van rented by Larry Biles who is arriving around 1:00 pm)

7:30-8:30 pm **Evening meeting** for team members to become acquainted.
Lodging for all team members except Baker and Force at Holiday Inn Express

Tuesday, April 15

7:00 am - **Breakfast meeting** – Review Team meets with Dr. Jim Zuiches, Dean of the College of Agriculture and Home Economics and Dr. Rod Saylor, Chair of the SNRE Planning Committee. Dr. Zuiches will discuss and issue to charge to the Committee.

8:15 am - Review Team meets in room 203 An. Sci. Lab Bldg on WSU Campus with **Planning Committee for the SNRE**. Team will provide a brief summary of the SNRE proposal and engage in discussion with the Review Team.

10:00-11:45 – Review Team meets in Hulbert Hall 409 with **Associate Deans and Directors of Academic Programs, Cooperative Extension and the Agricultural Research Center**. Discussion will focus on programmatic impacts, opportunities/challenges, and other issues impacting the SNRE proposal.

11:45 am – Review Team – walk to CUB for **Lunch** in Regency Room. CAHE Associate Dean Pete Jacoby and Rod Saylor will join the Review Team. Discussion leader will be Dr. Doug Baker, Review Team member and Vice Provost for Academic Affairs. Dr. Baker is asked to review the **WSU Strategic Planning Process** and comment on the process/timelines required for the SNRE proposal to be implemented at WSU.

1:30 pm – Review Team meets with **Department Chairs** with programs and personnel likely to be affiliated with the SNRE in 203 Animal Sci. Lab Building.

3:15 pm - Review Team meets with **Program Directors** – 203 AS 203

6:00 pm – **Dinner** with Review Team – **CAHE Dean and Associate Deans** – Hilltop Inn. Discussion Leader – Dean Jim Zuiches – Strategies for creating the programs, administrative structure, and facility base for the SNRE.

Wednesday, April 16
